OBJECTIVE:

Motivated and skilled Frontend Developer with a robust foundation in HTML, CSS, JavaScript, and React.js. I have a proven track record of creating responsive and user-centric web applications, and I am seeking a full-time role where I can leverage my expertise to drive innovative web solutions. With a keen eye for detail and a passion for clean code, I thrive in collaborative environments and am committed to continuous learning and professional growth.

EDUCATION:

- Bachelor of Technology in Computer Science and Engineering**
Government College of Engineering, Keonjhar CGPA: 7.64 2021-2024
- Diploma in Computer Science and Engineering**
Uma Charan Pattnaik Engineering School, Berhampur Percentile: 77.98 2018-2021
- High School**
Kendriya Vidyalaya, Keonjhar CGPA: 7.6 2016-2017

SKILLS:

Technical Skills: HTML, CSS, JavaScript, React.js, PHP, Java, Python, Responsive Design, Cross-browser Compatibility, Version Control (Git), RESTful APIs, Agile/Scrum, Testing (Jest, Mocha), CI/CD, Performance Optimization, UX Design Principles, web design and development, WordPress, CMS, UX, UI, Design

Soft Skills: Teamwork, Leadership, Responsibility, Self-motivate, Communication, Creative thinking

Hard Skills: Project Management, Programming Skills

EXPERIENCE:

- Java Programming Intern | CodSoft**
Collaborated remotely with CodSoft's software development team to develop and maintain Java applications. Participated in code reviews and ensured coding standards adherence. Resolved Java application issues to enhance software performance. Gained experience in using Git for version control and working within Agile/Scrum methodologies.
- Web Developer Intern at Code Clause** Jun 2023 — Jul 2023
Gained proficiency in creating and styling web content using HTML5, JavaScript, and CSS, including responsive design techniques. Mastered the structure and layout of web pages, adding interactivity and dynamic elements through JavaScript. Worked on cross-browser compatibility issues and optimized web performance.
- Web Development and Designing Intern | Oasis Infobyte**
Developed a fully customizable landing page website for a travel agency.
Utilized Visual Studio Code for coding and hosted the project on GitHub.
Assisting in coding testing, and debugging web projects under the guidance of the team.
Learning and applying programming languages such as HTML, CSS, JavaScript, and relevant frameworks.
- Web Development and Designing Intern | LetsGrowMore**
Completed three assigned tasks involving HTML, CSS, and JavaScript.
Developed a TO-DO list website and a Registration Form, streamlining data collection and user interaction.
Gained hands-on experience in front-end web development and user interface optimization.

PROJECTS:

- **Student Database Management System** 2021 — 2022
Developed a Student Database Management System as a diploma final-year project using HTML, CSS, PHP, and JavaScript. Created a robust offline student data management system focusing on UX principles, ensuring seamless connectivity via Ethernet or Wi-Fi.
- **E-commerce Platform Development** 2023 — 2024
Led the development of an e-commerce platform using React.js, emphasizing responsive design, performance optimization, and user-friendly interface. Integrated RESTful APIs and ensured cross-browser compatibility.
- **Portfolio Website (https://abhilash1596.github.io/Abhilash_Bebarta_Portfolio/)**
Developed a personal portfolio website showcasing my projects and skills, built using React.js. Implemented responsive design and optimized performance to ensure fast loading times and a seamless user experience.

EXTRA-CURRICULAR ACTIVITIES:

- As a dedicated volunteer in the college blood donation group, I successfully organized multiple blood donation camps, significantly increasing donor participation and community awareness. Additionally, as a member of the college dance group, I played a key role in conducting numerous successful dance competitions, fostering a vibrant cultural environment on campus, and enhancing team collaboration and event management skills.

CERTIFICATES

- Microsoft-certified Graphic Design Course (09/2023 - 01/2024)
- Common Internship Test (10/2023 - 10/2023)
- Great Learning - OOPs in Java (10/2023 - 10/2023)
- Great Learning - Front End Development – CSS (03/2023 - 03/2023)
- Great Learning - Front End Development – HTML (03/2023 - 03/2023)
- CCNA: Enterprise Networking, Security, and Automation (07/2021 - 07/2021)
- CCNA: Switching, Routing, and Wireless Essentials (07/2021 - 07/2021)
- CCNA: Introduction to Networks (07/2021 - 07/2021)
